

Portamatic Hammerhead 2

Pneumatic Version

Rapid Cycling
at 90 psi!

PNI Hammerhead 2 - perfect for those users who demand even more versatility from their PNI Hammerhead system.

Where Else are You Going to Find it in a Pneumatic Version This Good?

Again, Porta-Nails is your one source for the ingenious Portamatic Hammerhead 2! Naturally, it employs the "Preferred-Seating" system as the famous Porta-Nailer – BUT IN A POWERFUL PNEUMATIC VERSION! It's versatility is unmatched in the industry! The Hammerhead 2 both angle and face nails and can nail (9/16", 3/4" and 33/32" thick flooring as well as 15-17mm bamboo flooring) with available accessory shoes. So now you can take on the biggest flooring jobs faster, easier, and more accurately for the tightest wood flooring surface under your feet. Porta-Nails quality management system is ISO 9001-2000 Registered, so like the original Porta-Nailer Hammerhead, you can be assured this USA made product is backed by the highest standards in the industry.

*Model 421 Kit
(carry case not shown)*

*Professional-Grade Built!
Count on Speed, Accuracy
and Dependability.*

Features

- Preferred Seating System using "Air Actuation Technology". A light tap with the mallet is all that is required to fire the tool.
- Pneumatic Version of PNI's Original Hammerhead
- Designed for nailing 3/4" flooring. Accessory shoe bases and pads are available for nailing 9/16" and 33/32" flooring (sold separately).
- Can be easily converted to a Face Nailer by simply changing the shoe (Face Nail Accessory Shoe included in the 421 package).
- Mallet activated to ensure the tightest floor possible
- Air Chamber provides for rapid cycling with 90-100 psi. Refer to owner's manual for proper compressor configuration and set-up.
- Holds up to 175 2", 1-1/2" or 1-3/16" Porta-Nails 16 Gauge T-Nails
- Both angle and face nails (face nail shoe included with the 421 package)
- Oil-less design for longer life of O Rings and prevention of oil stains on wood floor
- Positions in front of flooring for perfect balance and protection of top flooring edge
- Precisely drives (2", 1 1/2" and 1 3/16") Porta-Nails "T" at a 45 degree angle thru flooring tongue
- Easy access nose to quickly and easily clear jams that may occur
- Safety integrated to prevent accidental firing
- 421 package includes rugged carry case
- Free instructional DVD included
- One Year Limited warranty
- Like all Porta-Nail products, PNI's Portamatic® Hammerhead 2 is built to the highest quality standards – in fact, PNI Quality System is ISO 9001-2000 Registered.
